

Remarks:

The preliminary amendment is being filed in an effort to present an application in proper U.S. format and to present claims in proper U.S. claim idiom for examination.

The newly entered claims correspond with, and are fully supported in, the original claims filed in the international application.

An early action on the merits is requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'L. Greenberg', is written over a horizontal line. Below the line, the text 'For Applicants' is printed.
